July 28, 2017

Dear Ms. Seager;

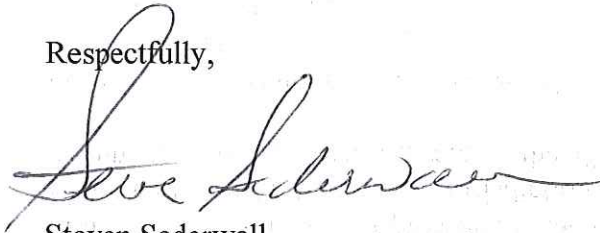

I am in receipt of your letter dated July 20, 2017, in response to a complaint I filed with Mr. Scott Pruitt. I was disappointed but not surprised you did not address the complaint.

Ms. Hall advised me the New Mexico Environment Department (NMED) reported to the federal EPA, the reason for my complaint to Mr. Pruitt. Your files indicate the NMED agent knowingly falsified an administrative report, as well as an affidavit for a search warrant, resulting in two (2), 4th degree felonies. I have reported this crime to his supervisors with no results, forcing me to file a complaint with Mr. Pruitt, also with no response to the criminal acts. In support, I refer you to 18 USC 4.

This continued harassment is without basis in law or fact. I hereby demand this harassment and frivolous invasion of my privacy and property rights cease immediately. I demand you, instruct NMED to removed Pinon Hills RV Park from their system, and a letter of apology be written for my records stating that Pinon Hills RV park does not fall under your jurisdiction, or provide the factual and statutory basis in law which places Pinon Hills RV Park under the jurisdiction of NMED and the probable cause stated to obtain and serve a search warrant on the aforementioned property.

For years I have attempted to resolve this matter amicably and all attempts have met with negative results. If necessary, I will retain counsel to seek all remedies available to me pursuant to federal and state statutes for the intentional torts committed against me personally and Pinon Hills RV Park. Its is not my desire to engage in litigation to resolve this matter however, the continued harassment, violations of my personal, property and rights pursuant to the Constitution of the United States cannot be tolerated. The intentional, criminal and egregious actions engaged in by representatives of the NMED and/or EPA will no longer be tolerated without legal recourse should we be unable to resolve this matter, concluding with NMED/EPA immediately ceasing all actions and/or investigations against Pinon Hills RV Park and a determination (included and placed in the agencies files on Pinon Hills RV Park) made which states NMED and/or EPA has no jurisdiction in this instance or the property being investigated.

Respectfully,

Steven Sederwall

July 28, 2017

Dear Ms. Seager;

In your letter dated July 20, 2017, you stated, "In two separate letters dated March 12, 2014 and February 17, 2015, NMED referred the Pinon Hills RV Trailer Park water system to EPA Region 6 for enforcement of the SDWA and its requirements."

Please forward copies of those letters you mentioned. If you would like and it is easier for you Ms. Hall may email me the letters.

Respectfully,

Steven Sederwall
